Hey [REDACTED]!

Thanks for all the great work you're doing on your site, [REDACTED].

Boncom is helping to launch this year's Christmas campaign, #LIGHTtheWORLD, on November 25th. The life of Jesus Christ was marked by service to others, so what better way to celebrate Christmas than to follow His example? To kick off the 2016 Christmas initiative, we are inviting everyone to participate in a Worldwide Day of Service on December 1st. Help a loved one, a neighbor, or even a complete stranger. We hope that thousands of stories of giving and receiving service will be shared online.

As in years past, this year's campaign will include an interactive Christmas website and an original video, with the addition of short daily challenge videos from December 1-25 showcasing that day's service activity. All of these different elements will be very shareable, and each of them individually has great power to teach, inspire and uplift this holiday season.

We've developed an interactive 300px by 600px ad for your followers to watch the #LIGHTtheWORLD Christmas video, view and share the holiday content, find a local church service near them, and explore additional elements of the campaign through the ad itself without ever leaving your property!

To run this ad on your site from November 12-December 25, we can compensate you \$150.00 .

If you agree to this compensation amount, check "YES" on this [three question Google Form](#) and we'll be in touch soon with more details and your unique ad code. And this opportunity is only available on a first-come first-serve basis, so please fill out the [form](#) ASAP.

Thanks!!

Best,

Hi there!
First of all we wanted to send out a huge thank you to those of you who participated in our Christmas ad campaign (“A Savior is Born”). As you know, Easter is right around the corner (March 27), and in order to stay ahead of the rush, we are reaching out to gauge interest in once again hosting an interactive ad unit for Easter from March 13-March 27 on your site.

This Easter, we have created an interactive ad that features an interactive website about the life, miracles, death and resurrection of the Savior Jesus Christ, as well as a special musical performance of a virtual choir performing the Hallelujah Chorus from Handel's Messiah.

To promote this beautiful Easter message, we’ve created a 300px by 600px interactive widget for your followers to watch the #Hallelujah Easter video and explore additional without ever leaving your site! This widget is currently in testing stages and isn't ready for public release, but you can view the screenshots of the interactive widget we created for Christmas here - https://www.dropbox.com/s/mhutg12hwvgf7e8/page_video.mp4?dl=1 and https://www.dropbox.com/s/h4tuy2g13cnay3a/page_gifs.mp4?dl=1.

If you are interested in hosting this widget on your blog, please fill out this [Google Form](#), and we’ll be in touch with your unique code snippet and compensation details.

As this partnership is time sensitive, please fill out the Google Form above at your earliest convenience. If you have any other questions or concerns, feel free to send us an email!

Additionally, **if you know of any other online influencers who may be interested in hosting this ad unit on their web property, please send them this short Google Form - <https://docs.google.com/forms/d/1OFXjWBUIGYN7IJNdgRb4XpEsWx2UrcowHtO903VsylQ/viewform>.**

Thanks for your time and we hope to be in touch soon!

Hi there!

Thanks for all the amazing work you're doing online and the light you radiate to your followers. :)

This year, our Christmas campaign, "Light the World," focuses around the miracles and service of Jesus Christ and the modern-day application of some of those same actions (He fed the hungry, He clothed the naked, He loved his friends, He honored his parents, etc.). The campaign website will feature hundreds of ideas for ways to serve this holiday season — among your family and in your community.

We are extending an invitation for influencers like you to participate in the campaign, share your involvement and activity on your blog or social channels, and help us snowball the number of people doing good and serving others this Christmas season. Our team will also be creating a mashup of the best content produced during this campaign and shared to millions online. Depending on online reach, follower demographics and activity chosen, various influencers will be chosen to receive compensation for their involvement, as well.

As in past years, we've created a 300px by 600px interactive widget for your followers to watch the #LightTheWorld Christmas video and explore additional elements of the campaign without ever leaving your site! This widget is currently in testing stages and isn't ready for public release, but you can view the screenshots of the interactive widget we created for last year's Christmas campaign here - https://www.dropbox.com/s/mhutgl2hwvgf7e8/page_video.mp4?dl=1 and https://www.dropbox.com/s/h4tuy2g13cnay3a/page_gifs.mp4?dl=1.

If you are interested in being **considered for participation and compensation, please fill out this [Google Form](#)**. Replies to this email will not be considered for participation or compensation: PLEASE FILL OUT THE GOOGLE FORM.

As this partnership is time sensitive and compensation will be offered both based on online reach and on a first-come-first-serve basis, please fill out the [form](#) at your earliest convenience. If you have any other questions or concerns, feel free to send us an email!

Additionally, if you know of any other online influencers who may be interested in participating, please send them the Google Form as well.

Thanks for your time and we hope to be in touch soon! Thanks again!

Best,
